SCHOLARSHIP INSPIRES YOUTH TO EDUCATE PEERS

**“It often leads to smoking,
alcohol and drug abuse, and
one in five gambling addicts
end up committing suicide,”**

- Ben Sissom

Now in its 26th year, the Project 21 Scholarship program has awarded more than \$172,000 in scholarships to Missouri high school seniors and educated hundreds of thousands of Missouri students about the issues and dangers of underage gambling. In Missouri, it's illegal for anyone under 21 to gamble in a casino.

Again, in 2021, the Missouri Gaming Association awarded one \$2,500 scholarship and three \$1,500 scholarships through Project 21. Students created essays, posters or videos, and displayed or published them at their schools to educate peers about the illegality and dangers of underage gambling.

Ben Sissom of Montgomery County R-II High School in Bellflower won the \$2,500 Project 21 scholarship by creating a PSA Video on Youth Gambling

“It is surprising how common this is, with 6% to 15% of youth experiencing this addiction. It often leads to smoking, alcohol and drug abuse, and one in five gambling addicts end up committing suicide,” said Sissom.

The \$1,500 Project 21 Scholarship winners were Elizabeth Trower of Mark Twain Senior High School, Greenlee Rigby of Kirksville Senior High School and Codi Viehmann of Montgomery County R-II High School. For more information about the Project 21 Scholarship program, visit www.missouricasinos.org.
